## **WORK EXPERIENCE**

*(Sorted from past to most present)*

### **SEASONAL SHEEP SHEARER / WOOL HANDLER | HICKMAN SHEARING | 1-(443)-244-2702 JULY 2008, 2009, 2010 - SEPTEMBER 2008, 2009, 2010**

Assisted with day to day farm work including bailing, collecting, and cleaning of shorn sheep wool. Herds shorn animals into runway leading to pen. Worked in a fast paced environment typically working 8-18 hours per day.

### **KITCHEN LEAD | CULVER'S | 1-(816)-322-9600 AUGUST 2010 - MAY 2013**

Worked in all stations to facilitate food order including baking, salad prep, char grill, flat grill, saucier, dining room assistant, and expeditor. Expedited orders based on the customer's request, which requires to be able to know the menu. Maintained kitchen hoods, exhaust system, and drains to ensure proper ventilation and drainage throughout each scheduled lunch. Closed workstations, also cleaned to ensure they are sanitized and prepared for the next day.

### **SECURITY FORCES RESPONSE FORCE MEMBER | UNITED STATES AIR FORCE | 1-(800)-423-8723 JUNE 2013-SEPTEMBER 2015**

Members of the Air Force Security Forces are tasked with providing force protection duties, guarding weapons, air bases and Air Force personnel from possible dangers. The Security Force's main goal is to keep the people, planes, base, weapons, and surrounding area safe from any threat to include intrusion by unauthorized people. The largest career field in the Air Force, the Security Forces stay busy with their primary duties and still are the bases first response to disasters - either natural or man-made.

### **VEHICLE INFRACTIONS INVESTIGATOR | UNITED STATES AIR FORCE | 1-(800)-423-8723 OCTOBER 2015-SEPTEMBER 2016**

Designed and maintained a Military Police impound vehicles program for all vehicles involved in criminal infractions. Designed VICIT (vehicles involved in criminal infractions tracker) used a collection of excel worksheets and other designed programs to track monitor and handle paperwork in a complete digital system. The core responsibility of this program was to, in a timely manner, through instruction of federal regulations collect, input, track and solve any criminal infractions that involved vehicles. This system was to be designed to a point that required very little human interaction and was needed to be self-sustaining by itself after an individual inputted the original information.

**KITCHEN LEAD | JIMMIES DAIRY BAR | 1-(765)-778-3800  
APRIL 2017 - JUNE 2017**

Worked in all stations to facilitate food order including baking, salad prep, char grill, flat grill, saucier, dining room assistant, and expeditor. Expedited orders based on the customer's request, which requires to be able to know the menu. Maintained kitchen hoods, exhaust system, and drains to ensure proper ventilation and drainage throughout each scheduled lunch. Closed workstations, also cleaned to ensure they are sanitized and prepared for the next day.

**PHYSICAL SECURITY RESPONSE MEMBER | G4S | 1-(317)-887-4740  
JULY 2017 - APRIL 2018**

Ensured safety and protection of 1,000+ employees and enforced a physical perimeter of a tier 1 facility. Monitored 104 cameras and 6 door locations. Ensured non-fiserv employees remained off the property through usage of conversational skills and to only escalate to use non-lethal force in a self defense or defense of others capacity.

**CAR DETAILER | MYERS AUTOWORLD | 1-(765)-274-0496  
JUNE 2018 - OCTOBER 2018**

Ensure cleanliness of vehicles new and used as well as customer vehicles. Job responsibilities included wiping down the inside of the vehicle, vacuum, windows, pet hair removal, exterior wash, wax, buffing, and scratch and dent removal, in a pristine and quick manner.

**SHIFT LEADER | PIZZA KING | 1-(765)-778-7438 ; 1-(317)-335-2426  
NOVEMBER 2018 - CURRENT**

Worked in all stations to facilitate food order including baking, salad prep, pizza preparations, saucier, dining room assistant, cash register operations, computer operations, and expeditor. Expedited orders based on the customer's request, which requires to be able to know the menu. Maintained kitchen hoods, exhaust system, and drains to ensure proper ventilation and drainage throughout each scheduled lunch. Closed workstations, also cleaned to ensure they are sanitized and prepared for the next day as well as send in all nightly and weekly paperwork as requested.
